When I'm not working you may find me walking in the bush (I know some wonderful locations for bush weddings), singing with my choir or having a cold beverage by our dam.

### **PHOTOGRAPHER - JESS WHITE**

I'm a tea and beer drinker (though not at the same time). I'm a twin and a mum of boys, I live on a small property with beautiful light, golden grass and big trees just outside of Bendigo.

Weddings are my first love; the people, the places, the outfits, the flowers. Your wedding day is a moment that begins a new phase, that continues to grow a relationship and is valued by your amazing people. Your job is to create the memories, my job is to capture them.
